Project Summary

The applicant is proposing a rezoning and development plan for a multi-family residential project on an approximately 7-acre property located on Vistoso Highlands Dr on the old clubhouse site (shown in yellow in the image at right).

The applicant proposes 132 multi-family apartments with a mix of 1 and 2 bedroom units with a maximum building height of 30 feet (see applicant's proposal below).

Applicant's proposal

The applicant's proposal involves three requests:

1. A rezoning (Rancho Vistoso PAD Amendment) from Open Space to Recreational Area/Golf Course to accommodate a proposed play and parking area.
2. A development plan for the multi-family residential project that includes:
 - a. Multi-family units
 - b. Clubhouse and pool

The multi-family units will be limited to the area designated as HDR, while the recreation and parking facilities are proposed within the recreation/golf course area. Some associated parking/drainage facilities are proposed on the Preserve property in accordance with the 2021 Settlement Agreement between the applicant, The Conservation Fund, the previous Property Owner (Romspen), and the Town (see applicants Concept Plan on OVprojects.com).

Throughout the process, the applicant will need to demonstrate conformance with each of the following applicable criteria:

- Settlement Agreement between The Conservation Fund, the Property Owner, and the Town of Oro Valley
- DRAFT Vistoso Trails Master Plan

- *Your Voice, Our Future* General Plan
- Rancho Vistoso Planned Area Development (PAD)
- Oro Valley Zoning Code

Existing General Plan Designation

The portion of the applicant's property that requires a Type 1 General Plan Amendment (shown in blue at right) has a General Plan designation of Open Space.

Open Space

This land use designation represents areas that are natural open space which have been preserved through zoning, conservation easements or public ownership.

Existing Zoning Designation

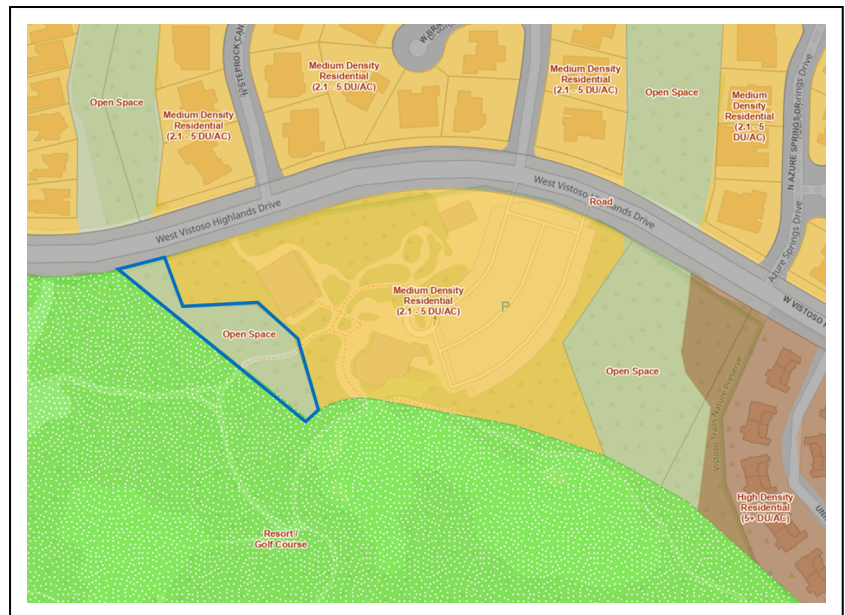

The subject property (shown in yellow at right) has a zoning designation of HDR (High Density Residential) Recreation Area/Golf Course and Open Space.

HDR (High Density Residential District)

To provide a high-quality alternative housing choice for the residents of Rancho Vistoso. Whenever possible, high density residential should be located adjacent to large expanses of open space or the Town Center.

Background

The subject property was part of the settlement agreement between the applicant, The Conservation Fund, the previous Property Owner (Romspen), and the Town of Oro Valley that established the Vistoso Trails Nature Preserve in 2021.
